

Twiddlemuff instructions

1. Materials

- This muff pattern is perfect for using up left over and odd balls of wool.
- Needles: 8mm circular or 6.5mm straight needles.

2. Directions

Cuff: Cast on 45 stitches using 2 strands of double knitting wool or 1 strand of chunky wool (*one plain colour works best*).

Work in stocking stitch (*knit a row, purl a row*) for 11 inches.

Muff Body: Continue with stocking stitch, but use up oddments of various textures of wool such as chunky, mohair, ribbon etc. until the work measures 23 inches (*two strands of double knit for two rows each gives a lovely assortment of colours*).
Cast off.

3. Finishing

- If working with straight needles, lightly iron the long strip, then neatly join the sides together using edge to edge stitch (with the knit side facing out)
- Turn inside out and push the one-colour cuff up inside the muff body
- Sew the two ends together, again using a neat edge to edge stitch.

Decoration

Now is the time if you want to decorate the muff, inside and out, with ribbons, beads, flowers, zips, loops, pompoms, buttons, etc. Knit a separate pocket for a favourite photo or a hanky. Be creative, but make sure each item is securely attached.

Washing instructions: hand wash at 30°C – carefully! Leave to dry flat. No dryers!

Twiddlemuff Pattern

A Twiddlemuff is a double thickness hand muff with bits and bobs attached inside and out. It is designed to provide a stimulation activity for restless hands for patients suffering from dementia. Knit for Peace will distribute these via NHS Hospitals in the UK and the patient then gets to take them home with them so there is always demand for more.

What you'll need:

- Wool – approx one 150 gram ball will probably be enough – it varies a great deal depending on the individual wool.
- 1 Pair of needles (size depends on the type of wool you want to use).
- A tapestry needle for sewing up.
- Oddments of yarn, ribbon, trimmings, buttons, beads etc for embellishment.

Getting started:

This pattern can be knitted in any wool but you will need to adjust the number of stitches you cast on depending on the size of the needle and the type of wool. Look on the ball band, if there is one, of the wool for information about needle size and tension. Because of the simple nature of the pattern the measurements do not have to be exact and you can easily test them out on your own hands!

Double knit wool on size 5-7 needles comes out at about 5 to 5.5 stiches per inch.
Chunky wool on size 7-9 needles comes out at about 4 to 5 stiches per inch.

The width of the Twiddlemuff needs to be about 12 to 13 inches wide (this is the length of the muff – so you can check against your own hands to see if you have made this the right size). The length of your knitting needs to be twice the width.

To begin:

In a lighter wool cast on 60 stitches, or the number of stitches to give you about 30cm width.
In chunky wool cast on 48 stitches.

Beginners:

Keep knitting until you reach about 24 inches / 60 cm or double the width.
Or try stocking stitch – one row knit, the next row purl for a smooth finish.

Advanced:

Use the Twiddlemuff to try out patterns and techniques on a small and easy project.

Both:

Keep knitting until you have approx. 24 inches / 30 cm in length and then cast off.

Step 1

Decorate the Twiddlemuff on the right side of the knitting. Leave a small area halfway down that is free of decoration.

Step 2

Fold along the middle, with the decoration showing on both sides and then sew up the three open edges.

Step 3

Sew the cast on / cast off edge to the fold edge together to make a tube that has double thickness and is decorated inside and out.

Step 4

Send the Twiddlemuff off to:
Knit for Peace
Radius Works
Back Lane
London NW3 1HL

Knit for Peace is a charity – we match knitters with good causes. Many keen knitters need outlets, so our distribution service is a much needed resource. Knitting is good for the knitter and the output keeps people warm: it's win, win.

We also support projects to help get people knitting both overseas and in the UK – we take donations of yarn and equipment but also need donations of money to sustain this and the rest of the work we do.

You can find out more about how to help (and plenty more patterns) at:
